

Double pedal wheel

Featuring two pedals which operate alternately, this spinning wheel enables you to sit in a comfortable chair and pedal with both feet, avoiding tired legs and the all too common aching back.

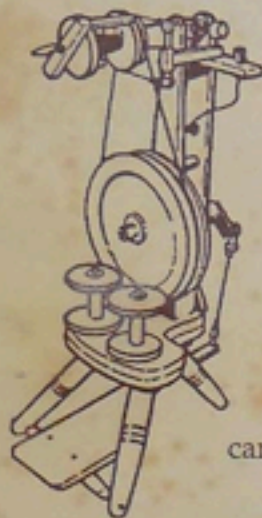

The orifice and flyer are fully adjustable to a height and position to suit you.

Folding wheel

The ingenious design of this wheel makes it possible for you to simply fold up your wheel and take your spinning anywhere.

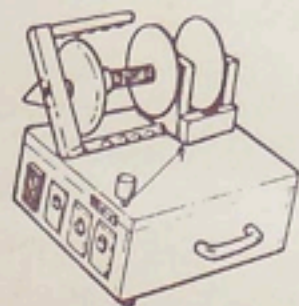

Lightweight and easy to carry, this wheel is ideal for the spinner who enjoys attending meetings, spin-ins, or simply spinning with friends.

Electric wheel

Quiet and efficient, our electric wheel features multiple speeds, quiet operation, easy reversing for plying, and large bobbins.

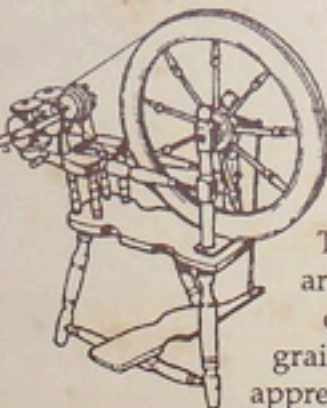

Purpose designed and with a quality motor, the unit incorporates a fold away cord for easy carrying.

Norwegian wheel

This classic design is not just a superbly steady wheel to spin with - it's also a lovely piece of furniture.

The spokes and turnings are fine, the timber is specially selected for good grain and colour, and you'll appreciate the bias weighting of the wheel for easy starting.

Left-handed spinners are welcome to have a special configuration - please enquire for details.

Accessories

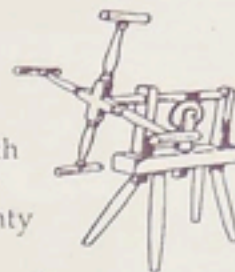

Made from New Zealand native timbers, MAJACRAFT accessories have been carefully designed to help you get the best possible use out of your wheel and enjoyment out of your hobby.

Rotary skeiner -

pop goes the weasel
An old fashioned rotary skeiner / yarn winder with a one and a quarter metre circumference and an eighty turn counter.

The design dates from the mid eighteenth century - an interesting, useful and practical device.

Spinning chair

Traditional spinning chair with a seventeen inch seat height.

Lazy Kate

A much improved accessory with sturdy feet and special wool guides.

Extra bobbins

Large capacity bobbins with double bearing centre.
